PERFECT SERVES

25ml £6

Puerto di Indias Strawberry

With the sweet and wild aroma of strawberry and juniper, this gin offers an authentic flavour to those who like to enjoy different sensations.

Served with chopped strawberries, a stick of cinnamon & Fever tree Mediterranean tonic.

Warner Edwards Rhubarb

The rhubarb juice is extracted using a traditional fruit press and blended with their own Harrington Dry Gin to produce an alluring pink gin that is voluptuous on the palate with a sweet and tangy royal rhubarb explosion.

Served with slices of lemon & grapefruit, lemongrass & Fever tree aromatic tonic.

Tarquin's Blackberry

They combine the gin with the delicious British blackberries as well as a small helping of Cornish wildflower honey to impart a subtle mellow sweetness.

Served with frozen blackberries, lemon, a sprig of mint & Fever tree Indian tonic.

Silent Pool

Made with 24 botanicals carefully chosen for their uniqueness; they all work together in unison to afford a romantic, complex flavour. Fresh floral and clarifying citrus notes are grounded by earthy and spicy cassia bark and cubeb. The smooth finish is achieved with the help of local honey.

Served with pieces of pink grapefruit, pomegranate seeds & Bottlegreen pomegranate & elderflower tonic.

Beckett's

It is a small batch London dry gin distilled and bottled in London using the finest ingredients, most notably juniper berries from England and mint from Kingston-upon-Thames. The result is a warm, aromatic and bittersweet character with our signature cool finish

Served with leaves of mint, grated lemon & Fever tree Indian tonic.

Renegade

Loaded with intense, herby botanicals - this gin comes from our neighbours in Battersea at the Doghouse Distillery. Making everything from scratch, they have sculpted a bold & racy new-age style of gin.

Served with a peel of orange, sprigs of rosemary & thyme & Fever tree Indian tonic.
